Leadership

Profile

I am from White Plains, New York and currently reside in Chesapeake, Virginia. I am interested in leveraging my leadership experience and design background to gain project management opportunities for large commercial development. I am pursuing architecture licensure with 300 AXP hours currently logged.

"Serving people by creating spaces to foster social, economic, and environmental improvement in communities"

National Organization of Minority Architecture Students

President, May 2018-May 2019

- Presided over all general meetings (20 members) and executive board meetings (8 members)
- Representative in the Student Advisory Council and NOMA Pittsburgh professional chapter
- Implemented monthly events, fundraising initiatives, and academic resources for students
- Designer on 2018 NOMA Design Competition of a mixed-used transit oriented development

National Student Design Competition Coordinator, May 2019-October 2019

- Developed a winning grant proposal for the Cassens Jr. Memorial Fund in Architecture, securing \$2200 to fund eight student's travel accommodations to the 2019 NOMA National Conference
- Managed a team of eight students to design a mixed-use housing complex in Brooklyn, NY
- Created and implemented a six-month design schedule, travel budget, and project plan

Publicist, August 2017-May 2018

- Designed marketing tools to distribute through various social media platforms to members

SPIRIT, Black Student Union

Co-Booth Chair, May 2018-present

- Design, digitally model, create construction drawings, and build a one story construction with a team of 15 students for Carnegie Mellon University's Carnival
- Create and implement timeline for design and construction of booth

Black-Latino Business Association

Marketing Chair, February 2018-May 2019

- Designed and distributed promotion material for events including general body meetings, professional mixers, and academic advising
