## EDUCATION

---

- 2022 **Carnegie Mellon University - School of Architecture** (*expected*)  
Bachelor of Architecture | Minor - German Studies  
Pittsburgh, PA
- 2018 **Architecture Summer Studio | Germany**  
Studied Germany's Rhine Ruhr region focusing on post-industrial areas and buildings. Sketched daily to strengthen my understanding of architecture and urbanism
- 2017 **Fairport High School | Rochester, NY**  
AIA Rochester Scholarship Recipient

## EXPERIENCE

---

- 2019 **Architectural Intern**  
Allegheny County Airport Authority | Pittsburgh, PA  
Participated in research and planning projects and documentation for the Pittsburgh International Airport. Team member of the Terminal Modernization Program. Researched materials and technologies for appropriate incorporation into the Terminal and Multi-Modal Complex projects. Led page-turn sessions to collect feedback from the client and design teams on Schematic Design drawing submittals. Collaborated with a team of interns to propose Airport Amenity and Customer Service initiatives with cost-benefit analysis, presented our ideas to the Senior Leadership Team
- 2017-21 **AIAS**  
Member of the American Institute of Architecture Student Association. Worked to improve the School of Architecture's environment, participated in firm tours and workshops
- 2020-21 **Freedom by Design:** Worked with AIAS students to build Weatherization Kits for Pittsburgh families, contributed to a website for local resources and information about COVID-19
- 2014-15 **AIA Rochester Explorers Program**  
Introduced to the architectural field through two eight-week explorers' programs in Rochester NY, at Clark Patterson Lee and SWBR architects. Learned and worked with architects, engineers, and designers. Visited local firms and learned from hands-on experience touring the city, sketching, and completing design projects, including a home for a client
- 2018-21 **Computing@Carnegie Mellon Teaching Assistant**  
Taught introductory computing class, "Computing at Carnegie Mellon." Prepared and implemented a weekly recitation and graded student's work, served as the primary contact for students
- 2015-19 **Cashier**  
Wegmans Food Markets in Rochester, NY  
Developed skills in customer service, worked in a fast-paced environment and followed high standards

## ACTIVITIES

---

- 2017-19 **SAFE Club**  
Promoted Sexual Assault and Relationship Violence Activism by implementing creative methods to plan fundraisers and events  
Public Relations Chair 2018: Designed and created physical and digital flyers for meetings and events
- 2018-21 **Delta Delta Delta**  
Alpha Tau Chapter at Carnegie Mellon University  
Continuing Education Chair 2019: Strengthened leadership skills, educated the chapter on the history of Tri Delta, ensured chapter officers fulfilled their duties
