

Education

Carnegie Mellon University, Pittsburgh PA

Bachelor of Architecture, May 2020

Master of Science in Sustainable Design, December 2020

Cumulative GPA: 3.73 / 4.0

Dean's List 2015 - Present

National University of Singapore, Singapore

Study Abroad, Jan 2019 - May 2019

Masters of Science in Integrated Sustainable Design Studio, Advanced Building Materials and Structure

Experiences

Kohn Peterson Fox, New York City NY

Architectural Intern, June 2019 - August 2019

Designed schematic design iterations, and engaged in client and consultant meetings for the Changi Airport T5 project. Engaged in international meetings and drafted deliverables for approvals from authority having jurisdiction.

Bostwick Design Partnership, Cleveland OH

Architectural Intern, May 2018 - August 2018

Engaged in client meetings and site analysis, created drawings for DOH approvals for large scale hospital renovations in Pittsburgh, and coordinated with consultant engineers on renovation work in Cleveland.

TianJin Institute of Architectural Design, TianJin China

Architectural Intern, May 2017 - July 2017

Conducted site analysis and designed preliminary massing approaches for large scale commercial and infrastructural projects for the city of TianJin.

Produced experiential renders to be presented at client meetings for multiple educational projects.

Carnegie Mellon University, Pittsburgh PA

Teaching Assistant, June 2016 - Present
