## ABOUT

I am a graduating senior with an interdisciplinary degree that combined and fostered my passion for transformation, entrepreneurial spirit and strong background in visual and interaction design with human-centered methodologies.

## AWARDS + HONORS

College of Fine Arts Deans List  
ACMA Composites Design Challenge  
Digital Service Innovation Showcase - 2<sup>nd</sup>  
American Institute of Architecture Students  
Imagine: Top 60 at 60 Conference  
Alpha Phi Emerging Leaders Institute

## EDUCATION

### Carnegie Mellon University

Pittsburgh, Pennsylvania

August 2016 - May 2020

College of Fine Arts, Bachelor of Arts in Architecture

School of Computer Science, Additional Major in Human Computer Interaction

IDeATe (Integrative Design, Arts, and Technology) Intelligent Environments Minor

Tepper School of Business, Swartz Center for Entrepreneurship, Innovation Scholar

## NOTABLE COURSES

### Human Computer Interaction Institute

Interaction Design Studio, User Centered  
Research & Evaluation, Programmable  
User Interfaces, Persuasive Design, Digital  
Service Innovation, Computing for Good,  
Interaction Techniques

### IDeATe

Reactive Spaces in Media Architecture,  
Responsive Mobile Environments, Coding  
for the Creative Practice, Soft Fabrication  
Skills, Intelligent Environments

### School of Architecture

Reality Computing, Architectural  
Lighting Design, Generative Modeling,  
Fundamentals of Computational Design

### Etc.

Cognitive Psychology, Intro to  
Entrepreneurship

## SKILLS

### Adobe Creative Cloud Suite

Photoshop, Illustrator, InDesign, AfterEffects

### UX/UI Prototyping

Adobe XD, Sketch

### Service Design + User Research Methods

### Coding

HTML, CSS, JavaScript, Python

### Visual Scripting

Grasshopper for Rhino, TouchDesigner

### 2-D + 3-D Modeling Softwares

Rhino, Sketchup, AutoCAD

### Hand-drawing + Painting

### Teamwork + Leadership + Problem Solving

## EXPERIENCE

### WeWork, U.S. West Development, Creative Technologist Intern

San Francisco, California

June - August 2019

Expanded my knowledge of design systems while revolutionizing the definition of workspace through innovative and smarter delivery of all phases of the project life-cycle, from Due Diligence through construction and facilities management. Under this team, I was involved in projects that spanned multiple disciplines - including Architecture, Project Management, Interior Design, Construction, Logistics, and Operations.

### Gates Corporation, Digital Marketing Intern

Denver, Colorado

June - August 2018

Supported the Global Commercial Applications Denver Team on the roll-out of Gates.com working with Adobe Digital Asset Manager and Hybris Content Management System, the roll-out of e-Commerce and B2B portal application utilizing Hybris e-Commerce.

### Lotus Architecture, Architectural Intern

Naples, Florida

June 2015 - January 2018

Worked full time during summer breaks and part-time in high school as an intern in a boutique residential design firm. I utilized CAD software to create and revise architectural, construction and interior design drawing sets.

### Uniquely Dutch, Study Abroad

The Netherlands

July - August 2017

Participated in a three week intensive trip around the Netherlands with the School of Architecture faculty to study Dutch Architecture and culture. The trip was documented through sketches and parti diagrams.

### Boston Build, Research

Boston, Massachusetts

June 2017

Participated as a Research Assistant in a two week workshop in collaboration with SoA Professor and the AutoDesk Build Space to use generative modeling techniques and robotic arms to create a ceiling art installation piece.

### Alpha Phi, Director of Targeted Membership Marketing

International Fraternity

September 2017 - Present

Selected by Alpha Phi International to attend the Emerging Leaders Institute in May 2017.

This four day conference focused on leadership and character development. I also serve as a Marketing position under the Recruitment team to develop our chapters brand on campus.
