EDUCATION

2017 - 2022

BACHELOR OF ARCHITECTURE

Additional Minor in IDeA: Intelligent Environments
Carnegie Mellon University
School Honors, Fall 2018

WORK EXPERIENCE

June 2019 -
August 2019

ARCHITECTURAL INTERN, **MICHAEL GRAVES ARCHITECTURE AND DESIGN**

Princeton, New Jersey

- Assisted senior project architects with preparing construction drawing sets for two New York City school projects using both **Revit** and **AutoCAD**
- Collaborated with a team of designers to do research and draft proposals for two public space and technology themed design charrettes

April 2019 -
present

TEACHING ASSISTANT, **COMPUTING @ CARNEGIE MELLON**

Carnegie Mellon University, Pittsburgh, PA

- Assists with leading recitations meant to cover course material for Computing @ Carnegie Mellon, a mandatory course for all Carnegie Mellon students about university resources
- Responsible for creating and giving presentations about course modules to students

October 2017 -
March 2018

DESK ASSISTANT, **SCHOOL OF ARCHITECTURE OFFICE**

Carnegie Mellon University, Pittsburgh, PA

- Assisted staff members (Kristen Frambes, Director of Professional Relationships, and Alexis McCune Secosky) in the office with managing and keeping track of files and statistical data for the school
- Designed posters and calendars using InDesign for the school's events and daily class timings in the College of Fine Arts rooms

ACTIVITIES AND PROJECTS

December 2019 -
present

IMPAQT CMU 2020 TEAM

- Selected to be a member of the IMPAQT program that sends 10 students from Carnegie Mellon's Pittsburgh campus to its sister campus in **Doha, Qatar** to promote cross-cultural understanding and student interaction between both cities
- Responsible for hosting and planning events throughout the year for CMU Qatar students studying abroad in Pittsburgh

October 2019 -
present

SIGMA PHI EPSILON PRESENTS RATATOUILLE: BOOTH 2020

- Working with a team to design and build a two-story structure inspired by the Pixar Movie *Ratatouille* for Sigma Phi Epsilon's Booth pavilion built as a part of Carnegie Mellon's annual Carnival festival
- Role is to produce a plan drawing document set outlining booth construction, and to design and fabricate various interior furniture pieces using laser-cutting/CNC routing

December 2019-
January 2020

MARKETING ASSISTANT, **TRICONE DESIGN & BUILD CONTRACTOR**

- Wrote project description excerpts about an urban redevelopment project in Bhendi Bazaar, Mumbai, India to be used by the company for future marketing material

December 2018 -
May 2019

DESIGN CHAIR, **ALPHA KAPPA PSI BUSINESS FRATERNITY**

- Designed and produced marketing material for membership advertisement and promotion of fraternity events
