EXPERIENCE

Chateau Riverfront Development Plan
Chateau, PA
01/2019 - NOW

Team Leader

In this project, we work with our client: Friends of the Riverfront, a non-profit membership organization, we're focusing on the development and stewardship of the Three Rivers Heritage Trail, an urban rail-trail for 24 miles along the riverfronts of Allegheny County. Thinking the trail as a generator for the local neighborhoods.

Bloomfield Shersave site Urban Renew
Bloomfield, PA
08/2018 - 12/2018

Team Leader

In this project, we worked with Bloomfield Development Cooperate, which is a none - profit organization aiming to improve the neighborhood environment in Bloomfield. Expect the design work, my job as a team leader is to organize several public participation to learn from the community and know better about the site.

Old Industrial District Renovation Planning
Xi'an, China
03/2017 - 05/2017

Team Leader

In this project, our client is Qinchuan Factory, which used to be a military factory and facing its transformation. We focused on how to utilize its huge plants and valuable industrial legacy, and how to take advantage of its culture as well.

Master Planning of Chengcheng County
Weinan, China
09/2016 - 01/2017

Team Leader

In this project, we worked with the government of Chengcheng County and try to find a way, not only to develop its local business but improve the spatial quality as well. Being a leader of a 12-people group is one of the biggest challenge of this project, I learn a lot about how to work as a team and how to serve my own idea and knowledge.

Block Transformation of Yulin Subdistrict
Chengdu, China
06/2016 - 08/2016

Team Leader

In this urban planing competition, we try to find a balance between the high speed urban rhythm come from the development and the low speed rhythm from the local culture. Through detailed research and interview, we let the local neighborhood back to its active atmosphere, and the same time attractive more young people.
