Education

Carnegie Mellon University
2016–2021 · Pittsburgh
Bachelor of Architecture
Studio GPA 4.0 · Overall GPA 3.80
Luther S Lashmit Design Award
First Place EPIC Metals Design Competition
Jan P. Junge Scholarship Award

University of the Arts London : Central Saint Martins
Summer 2017 · London
Architecture · Fashion Communication

Experience

Manufacturing Futures Initiative · Research Assistant
Spring-Summer 2019 · Pittsburgh
Researched and designed ecologically interactive landscape architecture to treat contaminated soil. Investigated sand binder jet printing. Designed advanced robotic tool pathing for combined additive and subtractive concrete techniques.

Shop Dog Studios · Design-Build Intern
Summer 2018 · New York City
Designed and fabricated interiors, furniture, stage sets, and large instillations. Budgeting · Drafting · Woodworking · Steelwork · Welding · CNC · Client Negotiation

Architects for Social Housing · Research Assistant
Summer 2017 · London
Site documentation and survey of Patmore Estates in hope to reinvigorate social housing projects of South London.

Involvement

Inter·punct Journal · Editor-in-Chief
2016 – present
Oversee all operations of the journal, conduct high profile interviews, and provoke community with theory, discorse, and imagery. Curating, editing and writing third full volume of architecture publication.

TCIS Robotics Camp · Teaching Assistant
Winter 2018 · Daejon
Taught, created, and coded arduino robots for high school students.

Skills

Analog
Sketching, Graphite, Drafting, Wood Working, Steel Working, Welding, Concrete and Resin Casting, Bioplastics, Chinese Calligraphy

Digital
Rhino, Grasshopper, AutoCAD, Adobe Creative Cloud, Lasercutting, Robotics (ABB), CNC, Revit, Vray, Keyshot, Lumion, Python, HTML

Lanuguages
Conversational Korean, Fluent English
